

WOMEN'S BUSINESS LUNCHEON

In celebration of its Centennial Anniversary, Business High Point – Chamber of Commerce, is creating a Women In Business directory comprised of 100 local female leaders to be launched at the 18th Annual Women's Business Luncheon. Printed on gloss paper and bound, the directory will serve as a year-long keepsake for attendees, empowering them to directly support local women in business.

The Luncheon will also feature esteemed keynote speaker Judi Moreo, an entertainment act, celebrity emcee Cindy Farmer of Fox 8 News, and many fabulous door prizes. It is impossible to leave this event without a smile!
